MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Representative D. S. Saund (D., Calif.)

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is contained in paragraph 4.

2. In following up your expressed desire to meet with Representative Saund, I talked with him and apologized for the pressure of business which necessitated cancelling the appointment of 14 February 1958. He indicated that it was difficult for him to leave the House at noon time in view of the fact that as a very junior Representative he felt obligated to be present for quorum calls.

3. Subsequently in an effort to make other arrangements at a mutually convenient time. Mr. Saund's office advised that Saund felt that he did not really have much to offer you and, consequently, did not feel that a luncheon was necessary particularly in view of the above explanation. However, his office advised that he would be pleased to meet with you in his office at any time.

4. While Representative Saund is an interesting individual and his experiences in India were unique, if you do not feel that you have the time to spare to go down to his office I would suggest that we simply drop the matter for the time being.
